

SOCIALLY-RESPONSIBLE PACKAGING

PACKING TABLE

A compact, single-operator station that applies **Proper Pack paperboard carriers** by hand — no power, no compressed air, designed for small runs and taproom packaging.

Applies **curbside-recyclable paperboard** carriers — the sustainable alternative to plastic ring and rigid-clip multipacks.

01 CONFIGURATIONS & PRICING

Every configuration uses the same carrier plate — swap 4PK / 6PK with a hex key.

FULL SYSTEM W/ SIDE TABLE

Adjustable-height stand, lower shelf and case guide rails, plus a side staging table for cases.

\$500

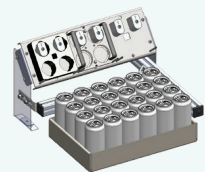

FULL SYSTEM W/O SIDE TABLE

Same stand, shelf and guide rails; stage cases on your own bench or cart.

\$400

Most common choice

CARRIER MAGAZINE ALONE

Clamp-on magazine unit only. Mounts to your bench with two C-clamps.

\$150

02 DESIGN

- ◆ **Three configurations:** clamp-on magazine, full system, or full system with side table
- ◆ Full system adds **adjustable-height stand**, lower shelf and case guide rails
- ◆ Applies **4PK 16oz** and **6PK 12oz** Proper Pack carriers
- ◆ Format change by swapping the **carrier plate** — hex key only

03 COMPONENTS

- ◆ **Stainless steel** uprights and deck plate
- ◆ **T-slot aluminum** frame and guide rail
- ◆ Format-specific **carrier plate** with holders and guide posts
- ◆ 18-8 stainless hardware; wear parts stocked by standard part number

04 REQUIREMENTS

- ◆ No **power** or **compressed air**
- ◆ Stable, level bench
- ◆ **Two C-clamps** for bench mounting (clamp-on unit)
